GUN METAL

Of the many popular Spring leathers Gun Metal has, perhaps, scored the most pronounced success for women's wear. Who could withstand the fascinations of the many "QUEEN QUALITY" Oxfords we show in this beautiful leather? How brilliantly they polish! How soft and pliable they are and how luxuriously comfortable! We illustrate one of the most popular styles, yet no illustration can begin to do justice to the original.

LET US PROVE IT.

Dobson's Carpets

From our mills to your floor

Extravagant claims in advertising may induce a person to make one purchase, but if the floor covering hasn't stood the test of time that person will go elsewhere for her second purchase. This thought we can't impress upon you too strongly. The bulk of our business is with old customers—people who come back year after year because we've given complete satisfaction in every transaction. Of course this is accounted for from the fact that everything we sell is from our own mills, or from the looms of other leading manufacturers, and because our guarantee backs every piece of goods that leaves our store.

This week's specials are:—

Carpets
Axminsters—a striking bargain! The cheapest goods we can possibly offer this or any other season. Regular \$1.25 and \$1.65 a yard quality, running about 20 to 250 yards to the pattern, this week **75c & 85c**
Body Brussels—best grade made; just the thing for hard wear. Patterns suitable for all rooms. The yard **\$1.00**
Axminsters—at 20% less than usual prices. Fine grades, 9x12 ft. sizes, \$21, and 6x9 ft. sizes, only **\$11.75**
